Notice to Purchasers.

I beg leave to return my sincere thanks for the very liberal patronage of my customers heretofore bestowed, and hope by dealing fairly, and by a strict attention to business, and a due regard to the *selection* and *good cultivation* to still merit their confidence and favor.

I am prepared at this issue of my annual Price List to offer much greater inducements than heretofore, both from my own nursery and also from the fact of having purchased during the past season the interest of the Rev. Wm. Manning in the WATERLOO NURSERIES, which together constitute more than seventy-five acres in actual cultivation of *young, healthy and thrifty trees*

My facilities for growing hardy trees and for *convenience* in *handling and shipping* are *unsurpassed*, soil being clay loam, and location only ten minutes from the N. Y. C. Depot, and seven miles from Geneva.

ORDERS.—These should be sent early, and plainly written on a *separate sheet* of paper and *not in the body* of the letter.

PACKING.—All orders will be carefully packed in boxes or bales with damp moss for which a charge will be made sufficient to cover cost.

DIRECTIONS FOR SHIPPING.—Purchasers will confer a favor by naming the route by which they desire their goods sent, otherwise I forward to the best of my judgment; but in no instance can I be held responsible for damage caused by carelessness or delay on the part of the forwarders. All goods delivered free of cartage at the Depot or Express office.

Should any error have occurred in filling the orders, purchasers will please notify me immediately, so that I may at once make such amend as lies in my power.

TERMS.—Cash, draft, or satisfactory note payable at some bank.

CATALOGUES.—The following Catalogues will be sent to all applicants, to wit:—

No. 1.—Descriptive Catalogue of Fruit and Ornamental trees, Shrubs, &c., on receipt of ten cents.

No. 2.—Wholesale Trade List, intended for Nurserymen and Dealers, gratis.

Correspondence solicited. Address,

E. C. PEIRSON, Waterloo, N. Y.
